\* These four packing sheets are for miscellaneous items, i.e., return of loans, transshipments, etc., which may involve Contract SP-1914 and SP-1918. There is of course no direct billing of this type of shipment and document used is intended only as a matter of record for accountability purposes. Since no direct billing is involved in these transactions of the items shipped, we are discontinuing the DD Form 250 forthwith. Thus we will eliminate the problem of one DD Form 250 covering two contracts.

Yours truly,
